

INTERNATIONAL PLACE

PORTFOLIO

Special Edition of *VantagePoint* • Summer 2015

Dear Tenants,

As many of you may have noticed, there has been some exciting growth in our International Place retail community. Since the day we opened our doors, we at The Chiofaro Company have taken pride in providing a first-class experience to our tenants and visitors. Now more than ever, we are committed to delivering a diverse collection of amenities that, together, is greater than the sum of its parts – a true **PORTFOLIO** that is a perfect representation of what makes International Place uniquely elite.

We are thrilled to bring you this special edition of *VantagePoint*, a spotlight on our Portfolio program. In it you will find a variety of exclusive offers from the shops, restaurants and service-providers of International Place. Furthermore, as we strive to continually enhance our Portfolio, I'd like to extend an invitation for you to log on to LetsTalkIP.com and share your thoughts on the kind of dining experience you'd like to see us bring to the lobby of Phase 2.

We hope you will enjoy all this Newsletter has to offer and all that we have to offer here at International Place. It's our way of thanking you for all that you do to make I.P. an exceptionally dynamic and vibrant destination.

Sincerely,

Don Chiofaro
